Velvet Lips Sex Education

A Sexuality Education Company

POTENTIAL INTERVIEW QUESTIONS

- What kind of sexuality education does your company, Velvet Lips, provide for individuals? For couples and people in relationships?
- What are the most common problems that you see with the couples that you've helped?
- What is the best advice that you can give to someone who is single? People who are in relationships?
- What advice do you have for individuals who are either previously voluntarily sexually inactive or are recovering from a sex-related trauma but are ready to adventure back into playland?
- Where do you draw your inspirations from for the work that you do and the endeavors you have undertaken?
- As a sexologist and educator, I'm sure you have seen and heard many things. What do you consider to be the most common sex-related apprehension?
- In your professional opinion, why do you think sex-related discussions, particularly in the South, are still deemed so taboo, despite the progresses made across numerous movements and subcultures in recent years?
